

Christmas Matching Game

Put your memory skills to the test with the Scout Elves' Christmas Matching Game!

How to play:

1. Mix up the cards and lay them in rows, face down.
2. The first player turns over two cards trying to make a match. If the cards match, the player collects the pair and may turn over two more. If a match is not made, the cards are returned image side down, and the next player takes a turn.
3. Try to remember what was on each card and where it was.
4. Watch and remember during the other player's turn.
5. The game is over when all the cards have been matched.
6. The player with the most pairs wins!
