Boots Dental Plan

Benefit Schedule

Plan Type: **Boots Private Level 1 Plan**

This product has been designed to cover the cost of most NHS dental treatments carried out in England and Wales or to contribute towards the cost of NHS dental treatments in Scotland and Northern Ireland. In addition it provides a contribution towards the cost of private dental treatment. Please read this benefit schedule in conjunction with the policy booklet to obtain the full terms and conditions. Your policy certificate will provide your policy number (to be used when making a claim) and other regulatory details.

CATEGORY OF TREATMENT	TOTAL MAXIMUM CLAIM AMOUNT PER PERSON PER POLICY YEAR
Routine Benefit	£750 (Subject to the individual treatment amounts shown below)
Accidental Dental Injury Benefit	£1,000 (Worldwide cover)
Hospital Cash Benefit	£5,000 (£100 per night, per insured person up to a maximum of 50 nights per policy year) Only applicable when you are admitted to hospital for dental treatment.
Oral Cancer Benefit	£5,000 (One off single payment after 6 month qualification period)

Personal Protective Equipment Up to £30 per insured person per policy year

General Information

Regardless as to where the treatment is carried out, all claim forms must be fully completed and accompanied by the original receipts and submitted within 180 days of the last date of treatment. We will not be liable in respect of any claim notified late, unless there is a justifiable reason for the delay.

Reimbursement Private: Your private dentist will charge his/her fee for treatment rendered. Your Boots Private Level 1 Plan will refund the amount stipulated in this schedule, regardless of the amount charged by the dentist, for the specified treatment.

Reimbursement NHS: The intention of the NHS band system is to only pay a single fee once a course of treatment is complete. The treatment rendered will determine which Band is charged. You will pay your NHS dentist the published patient charge for the applicable band. You will then claim this full cost from your Boots dental plan.
