The insurance contract

The insurance contract is based on the information **you** provided when applying for this insurance **policy**. It is a fixed 12 month contract that requires **you** to keep to the conditions of cover as explained in this **policy** wording, and maintain **your** premium payments for the full 12 month term. Prior to **your policy** ending, **we** will write to **you** explaining possible changes to **your** cover and premiums for the following 12 months. Unless **we** hear from **you** to the contrary, **we** will automatically continue **your** cover under these new terms.

If **you** wish to change **your** cover level, **you** may do so prior to **your** renewal date by notifying **us** in writing. The change will take effect from **your** renewal date.

There is no limit to the number of **children** who can be covered, provided they meet the criteria above.

All **insured persons** must reside in the UK, Channel Islands or Isle of Man for at least 180 days in each **period of insurance**.

Benefit Schedule – Boots Core Plan

The benefit schedule below outlines the benefits **you** can expect to receive in return for **your** premiums and abidance to the terms of this **policy**. The amounts shown on **your** benefit schedule are an 'up to' figure per **insured person**. This means that **we** will pay claims based on the **insured person's** original receipts for the **treatment** types described, up to the respective benefit level amounts. The **plan** can be used to claim for **treatment** at any **dentist** of **your** choice on the understanding that the reimbursement will be to **your plan's** limits.

If you are a new insured person, there is a 3 month qualification period for all dental treatment, except for those claims for accidental dental injury and emergency dental treatment. This means we will not pay for any dental treatment claims for a period of 3 months from the commencement date of the policy.

This Core plan has been designed to reimburse **you** for 100% of most **NHS** charges in England and Wales. If **you** live in Northern Ireland or Scotland, **you** will be reimbursed for **your** receipted payments for **treatment** up to the benefit schedule limits. **You** should ask **your dentist** for details of the **treatment** **you** require and the cost before proceeding with any **treatment** as **you** will be liable for any costs that are outside of the benefits listed in NHS bands 1, 2 and/or 3. Any **treatment** undertaken on a private basis in conjunction with **your NHS treatment** will not be covered except where the **treatment** received is **emergency dental treatment** and is limited to the benefit amounts under that section of cover.

CATEGORY OF TREATMENT	TOTAL MAXIMUM CLAIM AMOUNT PER PERSON PER POLICY YEAR
NHS Treatment	£500 (Subject to the individual limits for the applicable treatment rendered)
Private Accidental treatment	£500
Hospital Cash Benefit	£5,000 (£100 per night, per insured person up to a maximum of 50 nights per policy year) Only applicable when you are admitted to hospital for dental treatment .
Personal Protective Equipment	Up to £30 per insured person per policy year
Emergency Dental Treatment	Up to £100 (£50 per claim) plus the NHS UK Patient Charge for the treatment undertaken per insured person per policy year

The benefits provided for the **treatments** listed below will only be provided where they are offered under the **NHS** regulations.

Reimbursement: The intention of the **NHS** band system is to only pay a single fee once a **course of treatment** is complete. The **treatment** rendered will determine which Band is charged. **You** will pay **your NHS dentist** the published **NHS patient charge** for the applicable band. **You** will then claim this full cost from **your** Boots dental plan. If **you** are resident in Northern Ireland or Scotland, charges may be different to the **NHS** in England and Wales - **you** can claim up to the benefit schedule limits only. If **you** are resident in the Channel Islands or the Isle of Man, there is no applicable NHS reimbursement.

If an individual **treatment** spans **your** renewal date, **you** will be reimbursed to the individual **treatment** limits and maximum limits that were in place when **your treatment** started. If **you** are unsure of **your** plan's benefits please call **our** customer care team on **0333 222 7910**. **We** may record **your** calls to maintain **our** high standard of service.

Every time **you** make a claim in England or Wales, whether for one **treatment** or many, **your dentist** will advise **you** which Band Charge is applicable to **you**. If **you** require **treatment** across different bands, **we** shall reimburse the patient charge for the highest band only.

Every time **you** make a claim in Scotland and Northern Ireland, **we** shall pay an amount equal to the lowest of either what **you** have paid; or the banding appropriate for **your** most expensive **treatment**.
